

# VIRTUAL GLOBAL SYMPOSIUM

## Diabetes Endotypes: The Way Forward

**November 15, 2023**  
**10AM-12PM EST**

Join the Emory Global Diabetes Research Center for our National Diabetes Awareness Month Global Symposium with speakers from the United States, Germany, United Kingdom, India, and Mexico. The panel will review current evidence on diabetes endotypes and share their vision for the future of research and novel clinical applications for precision medicine.
