

Prevention of type 2 diabetes – From Science to National Implementation

K.M. Venkat Narayan, MD, MSc, MBA

**Director, Emory Global Diabetes Research center
Director, Georgia Center for Diabetes Translation
Research**

K.M. Venkat Narayan, MD, MSc, MBA. Currently Ruth and O.C. Hubert Chair of Global Health, Director, Emory Global Diabetes Research Center, Director, Georgia Center for Diabetes Translation Research, Professor of Medicine & Epidemiology at Emory University in Atlanta, Georgia, and formerly, chief of the diabetes science branch at the US Centers for Disease Control and Prevention (CDC). Dr. Narayan is noted for substantial, multidisciplinary work in diabetes public health. With more than 385 publications (H-index >60 on Thompson, >110 on Scholar.Google, top 1% relative citation ratio among NIH-funded researchers on Icite), including several high-impact studies, his work exemplifies his leadership in diabetes public health. Narayan is a member of the US National Academy of Medicine, and is Fellow of the Royal College of Physicians of Ireland, Fellow of the Faculty of Public Health Medicine, UK, Fellow of the American College of Physicians, and Fellow of the American Heart Association. He won the American Diabetes Associations' Kelly West award for outstanding achievement in epidemiology in 2015, Danish Diabetes Academy Visiting Professor award 2015-17, Government of India, Nehru Chair 2016, and Emory University's Mentor of the Year award in 2011.

**Friday, April 28th
Noon – 1:00 pm (EST)**
